BRIEF ABSTRACT OF LETTER.

Forwards Comptroller's audit objections on the bills presented by him for the entertainment of temporary carts, Coolie labour, and Watchmen in connection with the maintenance of Parks & Gardens, and requests power to employ temporary labour at prevailing rate and forwarding of bills enclosed for audit & payment to the Comptroller.

NOTES AND ORDERS.

1) Submitted for perusal.

Flag K 2) In letter no: R. 12217/R.M. 175-23-2 dt 29th Feb. 1924, the Supdt. Govt. Gardens was informed that the sanction of Rs. 13,618 out of the budget allotment of 1923-24 could be made in any matter he thinks fit, provided

that the sanction of Govt. is duly obtained for several estimates of expenditure wherever such sanction is necessary under standing orders.

3) It is thus clear that such estimates as could be sanctioned by the Supdt ~~or by the Govt.~~ could be passed in audit by the Comptroller. The objections were on the ground of ~~the objections for~~ want of sanction. by the Comptroller These objections have been made from time to time from September last as a reference to the bills sent with the Supdt's letter will show. Instead of soliciting Govt. sanction ~~taking action thereon~~ immediately the Supdt. left the unaudited bills to accumulate, and made an effort to get them adjusted at the close of the year (vide his letter No. 2136 to the Comptroller dt 25.6.24). But the budget grants for the year had been exhausted.

4) It is clear that the Comptroller's Objections are valid, and that he would have admitted the wages of the temporary watchmen, the Cartmen and other temporary establishment entertained for various works provided that an estimate of the works as sanctioned by him or the Govt. had been previously ~~forwarded~~ or subsequently sent. The Comptroller is within his rights in refusing to admit expenditure which he cannot pass under standing orders.

NOTE—Cotton. sheet.

5) The Supdt says in the f.n.d that these Objections cause much inconvenience and hindrance to the work of his Department as funds are required for paying Daily labour. ~~It does not appear that the Supdt has realised that the Supdt does not think~~ The Supdt says that for such works as he employs temporary labour regular estimates cannot be prepared and submitted to Govt for Sanction. He therefore requests Govt 1) to empower him to employ temporary labour at the prevailing rates. ~~and to~~ and 2) forward the ~~enclosed~~ enclosed with his letter bills to the Comptroller for audit.

6) Submitted for orders.

7) The Govt may be empowered to ~~employ~~ engage temporary labour for Watch men as also Water-carts working as the Amounts are found from the Famine Budget.

Sir,

SRP 4.30 pm. 24-7-24

In forwarding herewith the Comptroller's Memorandum Nos. T.1291 and 1411 dated 19-6-24 together with the bills objecting, for want of Government sanction, the entertainment of temporary carts, Cooly labour, and Watchmen in connection with the maintenance of Parks and Gardens in Mysore and Bangalore I have the honor to state as follows:-

It is usual in this Department to employ temporary labour and carts at certain seasons of the year according to the nature and amount of work undertaken in several Parks and Gardens both in Mysore and Bangalore and for which due provision is being made every year in the budget under the heading "Temporary Cooly labour and in the absence of this item under contingencies. The expenditure incurred therefor is of course debited to these --- headings.

The works that are got done by this temporary labour being of miscellaneous nature such as carting sand, manure digging pits, etc., no regular estimates can be prepared and submitted to Government for sanction as suggested in the Memo under reference. This system of employing temporary labour and carts in this Department was in vogue for the last so many years and the bills connected thereto were also duly admitted in audit

audit without raising any such objections. But now ~~that~~ the Comptroller demands authority or powers of the undersigned for so employing temporary labour and carts on a sum ---- exceeding R.10/- together with estimates for regular works etc., for want of which all the bills are being returned unaudited.

As such objections cause much inconvenience and hindrance to the working of this Department particularly during such favourable planting season of the year as now, for want of funds for paying for cooly labour, I request that Government will be good enough to empower this Office to employ temporary labour at the prevailing rates and forward the bills sent herewith to the Comptroller for audit and payment.

I have the honor to be,

Sir,

Your most obedient servant,

Superintendent.
